

**Remarks**

This is in response to the Final Rejection mailed May 16, 2007, and the Examiner's telephone message at 6:01 AM, October 15, 2007.

Pending Claims 12-20 and 23-29 were indicated by the Final Rejection as having allowable subject matter. Each of Claims 12, 13 and 14, which were previously dependent from claim 11 solely, are amended as independent claims including all limitations of claim 11. Claims 15-20 and 23-29 are amended to depend from an allowable claim, either claim 14, 19 or 28.

In the telephone message the Examiner discussed the following items.

- (1.) The Applicant filed several amendments after final rejection.
- (2.) The last appeared to "put" claim 14 in the form "it is supposed to be."
- (3.) The Examiner requested that Applicant file a request for reconsideration, and there was still time until November 16, 2007

In view of the Amendment of the Claims and the Remarks in support of patentability, allowance is requested. The Examiner is invited to telephone the undersigned for any reason to advance the prosecution of the application.

Respectfully submitted,

October 15, 2007
